

3 — Component: .env-blueprint

ENVIRONMENT TEXTURE

USE. A blue-tinted drafting grid. Signals plans, blueprints, templates, definitions — anything that stamps out instances (snippets, classes, component definitions).

```
<div class="dg env-blueprint"> ... </div>
```

ENVIRONMENT · BLUEPRINT

① **Note.** Dashed blue borders read as “the plan”; solid black boxes below read as “the built thing”. Keep that contrast.
